# THE DOVE

- The Holy Ghost \*did\* come in the form of a dove to Jesus, but we are not to elevate the dove above other creatures, or put it on churches
- The dove is not the Holy Spirit. The Holy Spirit came in the \*form\* of a dove, but He is not a dove.

General Overseer of Redeemed Christian Church of God, (RCCG) Enoch Adeboye, has revealed a short wooden staff that was blessed and handed over to him for miracles by founder of the church, the late Rev Joseph Akindayomi.

Adeboye showed the short wooden staff to RCCG congregants during the 65th annual convention of the church at the Redemption Camp, Lagos-Ibadan Expressway, Ogun State.

He said that God had instructed the late Rev. Akindayomi to make the short wooden staff to be blessed and to be handed over to him (Adeboye) for prayers and miracles.

Adeboye explained that the staff had been given to him years ago but God ordered that it should be used sparingly.

He used it at the Convention for three special prayers, including a prayer for God to make a way where there is no way. The cleric raised it up, mentioned a prayer point and the congregation prayed.

The prayers done, he raised it up again to bless handkerchiefs which the congregation waved with shouts of "Halleluyah, halleluyah!"

STOP FOLLOWING RICH PASTORS !

Irrespective of what your current state is, if you belong to God through Jesus Christ, you are a king. You might not feel like it, but the truth is, in the spirit realm you are royalty. You need to be conscious of this great privilege that Christ has bestowed on you and walk in it

# BELIEF IN EARLY CHURCH FATHERS

## **Every Nation Victory (1984) + CCF (1984)**

The Scriptures were written by Jews (Hebrews). Any non-Jew who writes the Bible is Antichrist.

Anything written after Revelation is Antichrist (even written by a Jew)

The Early Church fathers WERE NOT JEWS, they were antichrists St. Augustine, St. Jerome etc.

These churches put the creeds above the bible in the Statement of Faith

**The Apostles' Creed, the Nicene Creed (381), and**

**the Chalcedonian Creed (451) the fourth of the ecumenical councils**

**The expression "Apostles' Creed" is first mentioned in a letter from the Synod of Milan**

**dated AD 390, referring to a belief at the time that each of the Twelve Apostles**

**contributed an article to the twelve articles of the creed - NONSENSE**

These creeds were all written by Early Church fathers after the Revelation

Cursed when placed at the same level as Scripture, as the Apostle's creed does. Rev 22:18

They are ECUMENICAL (ANTICHRIST) CREEDS

Any church who uses them is part of the Ecumenical Antichrist movement
